

Interactive Art Director

Closing date: Tuesday, July 20, 2010

zu is looking for an amazing art director who is an accomplished designer, great communicator, and has an eye for detail to lead design projects in our Saskatoon office. Our clients like Cameco, Rogers, CN, Calgary Stampeders and Tim Hortons will appreciate that you share our fervour for making the web better.

About You

- * An impressive online portfolio of recent interactive work
- * An eye for concepts, layout, usability, and typography
- * Minimum 5 years design experience in an agency environment
- * Experience leading a team, managing, and mentoring designers
- * Passionate and articulate in presenting creative to clients
- * Must live in Saskatoon or be willing to relocate
- * Bass guitar or maracas experience a definite edge

In your application tell us something you'd have done better on one of our sites.

Apply online or in person to:
